

# Bringing Your Dog to North America Checklist

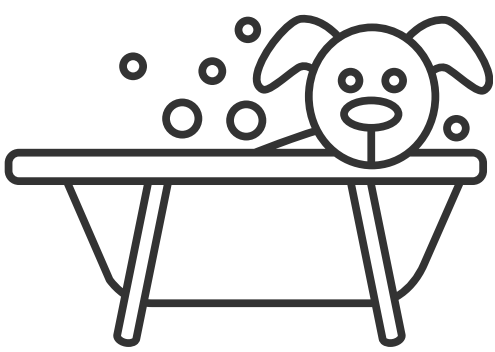

Make sure your pup is in good health before you travel.

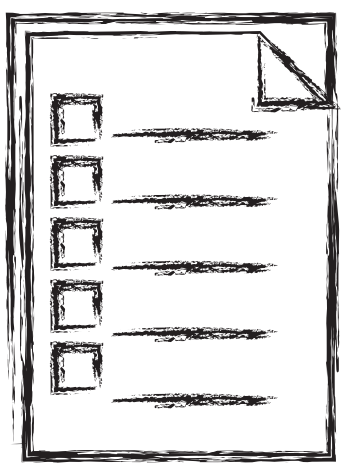

Visit the veterinarian for vaccination records and a updated health certificate.

Check, check, and double check! Be sure to regularly visit the websites of the country you are traveling to (USA, Mexico, or Canada) in case any regulations have changed.

Be sure that your dog is groomed and bathed before you travel.

Gather all necessary documents and keep them on hand for arrival your destination
